NEW ACCOUNT VERIFICATION

All new accounts are verified through ChexSystems and Equifax, which are both consumer credit reporting agencies.

MEMBER IDENTIFICATION REQUIREMENTS

In accordance with Section 326 of the USA Patriot Act, to help the government fight the funding of terrorists and money laundering activities, the regulations require financial institutions to implement, and customers to comply with, procedures for verifying the identity of any person seeking to open an account. Financial institutions must obtain, verify and record identification information.

What this means to you: applicants for new accounts are requested to provide current picture identification that verifies identity; including name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

In some cases, identification will be requested for current members if original documentation was not obtained with the opening of the account. In all cases, protection of our members' identity and confidentiality is our pledge to you.

We proudly support all efforts to protect and maintain the security of our members and our country.
