Account Disclosure

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-In-Savings Disclosure are share accounts.

- Rate Information.** *APY= Annual Percentage Yield. The dividend rate and APY listed above may change each dividend period as determined by the Credit Union's Board of Directors.
- Compounding and Crediting.** Dividends will be compounded daily. Dividends will be credited to your account every month. The Dividend Period ("period") for each of your accounts is monthly. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.
- Balance Information.** Any minimum deposit to open an account, and the minimum daily balance you must maintain to earn the annual percentage yield stated for your account is set forth in the above Schedule. **"Daily Balance Method"** Dividends are calculated by the daily balance method which applies a daily periodic rate to the principle balance in the account each day. **Accounts with Minimum Balance Requirements:** If you fail to maintain the minimum balance required to earn the dividend rate and annual percentage yield for any account as set forth in the above Schedule, then you will not earn the dividend rate and annual percentage yield for the period in which you do not meet this requirement.
- Accrual of Dividends.** Dividends will begin to accrue on the business day we receive provisional credit for the deposit of noncash items (e.g. checks) to your account. Dividends will begin to accrue on cash deposits on the business day you make the deposit to your account.
- Transaction Limitations: For All Share Savings and Money Market Accounts:** Pursuant to Federal Regulation D, during any calendar month you may not make more than six withdrawals or transfers to another Credit Union account of yours or to a third party by means of a preauthorized, automatic, telephonic, home banking, or audio response transfer or instruction. A preauthorized transfer includes any arrangement with us to pay a third party from your account upon oral or written orders, including orders received through ACH. Any minimum withdrawal requirements are set forth in the Schedule. If you exceed the transfer limitations set forth above in any statement period, we may reverse or refuse to make the transfer, and your account may be closed. If payment is made directly to the depositor, you may make an unlimited number

of withdrawals from these accounts in person, by mail, at an ATM, or by telephone if the withdrawal is mailed to you in a check. There is also no limit on the number of transfers you may make to any loan account(s) with us. **5a. Additional Limitations for IRA and HSA Savings Accounts:** You are solely responsible for complying with any requirements including transaction limitations and penalties for early withdrawal under the Internal Revenue Code or other applicable Federal or State law governing any IRA, HSA, or other Credit Union accounts. Deposits are not limited. Transfers to a Credit Union IRA Certificate are allowed subject to applicable law; and the minimum balance requirements and other restrictions applicable to the Certificate Account.

6. **Premier Checking** - Only one Premier Checking account per Social Security Number and only one reward type checking account (Premier or Kasasa Product) available on a single membership at any given time. To qualify for the higher APY and to avoid a monthly service fee (listed in the fee schedule), you must (1) have electronic deposit(s) totaling at least \$500.00 (accumulative) to the Premier Checking account each month (electronic deposits may be in the form of direct deposit, mobile deposit capture, ATM deposit, or ACH transfer from another institution) and (2) make at least \$500 in Combined Net Purchases from your Debit Card using your PIN, signature, or other authorization, or credit union Credit Card. The following conditions apply to the qualified ATM Fee Reimbursement. Qualified Fees are fees charged by the owners of non-REV ATMs (also known as "surcharge fees) that are less than \$10.00 per the following ATM transactions; (a) withdrawals of at least \$10.00; (b) balance inquiries; or (c) balance transfer. REV will reimburse qualified fees totaling up to \$10.00. REV will waive our "foreign ATM fee;" the fee that REV normally charges for using a non-REV ATMs" without reducing your \$10 limit. ATM Fee Reimbursement will be applied on the last day of each month if all account requirements are met. Account must be open at time of reimbursement. Please save your receipt to resolve any discrepancies. "Combined Net Purchases" means the total dollar amount of purchase at merchants using any of the above cards, minus any credits for returns, transaction disputes, or other reasons other than a payment to a credit card account. Each amount is counted in the calendar month in which it posts as final on your account, even if the transaction began in a prior month. To illustrate, if you purchase \$200 in goods on 1/31, but the merchant does not post the transaction to your account until 2/1, and then you return the goods for a \$200 credit on 3/15, then your Combined Net Purchase would be impacted as follows: January: No impact because the transaction is still pending. February: +\$200 for the purchase posting. March: -\$200 for the return being credited. Combined Net Purchases may be made using the physical card, the numbers printed on the card, or the card within a mobile wallet such as Apple Pay®. Combined Net Purchases do not include ATM transactions, cash advances, balance transfers. Transfers to or from a payment service that is generally used to send money to individuals (Zelle®, Venmo®, Cash App®) will not be considered "purchase at merchants" and may be excluded from Combined Net Purchases, regardless of the actual purpose of the transfer. Inclusions or exclusions of a particular payment service may be changed from time to time without notice. The Combined Net Purchases from your debit card only includes the transactions that post to your Premier Checking account. If you have credit cards under multiple memberships with the credit union, the Combined Net Purchases from your credit cards only count toward the Premier Checking account under the membership number associated with the cards. Please contact a member service representative if you are unsure of which credit cards are listed under their associated membership number. Other restrictions may apply.

Fee Schedule

The Credit Union reserves the right to waive any fee at its discretion when extenuating circumstances exist. The fees appearing in this Schedule are effective as of:
August 1, 2020.
